

VLink

VLink resource allows you to create a link to a Virtual Classroom session.

Create a VLink resource

- 1) In course main page, press **[Turn editing on]** at top right corner
- 2) Press [**+ Add an activity or resource**] under a course section
- 3) Press the **“VLink”** box
- 4) Enter the VLink name
- 5) Enter the VLink’s web address in External URL field
- 6) Press **“Appearance”** category, then select the appropriate **Display** option:
 - **Automatic** - show the VLink according to the browser’s best display option
 - **Embed** - show the VLink within the page below Navigation bar
 - **Open** - show the VLink in the original browser window
 - **In pop-up** - show the VLink in a new browser window without menus and/or an address bar
- 7) If necessary, modify its Common module, Restrict access and Activity completion settings
- 8) Press **[Save and return to course]**

Note:

If you select to show the VLink “In pop-up”, you can modify the new pop-up window’s width and height by entering their pixels in “Pop-up width” and “Pop-up height” fields.
